

Chris Hall Named to 2017 Financial Times 400 Top Financial Advisers

March 30, 2017 – Chris Hall, Managing Principal, Hall Financial Advisors, LLC has been named to the 2017 edition of the Financial Times 400 Top Financial Advisers. The list recognizes top financial advisers at national, independent, regional and bank broker-dealers from across the U.S.

This is the fifth annual FT 400 list, produced independently by the Financial Times in collaboration with Ignites Research, a subsidiary of the FT that provides business intelligence on asset management.

Financial advisers from across the broker-dealer channel applied for consideration, having met a set of minimum requirements. The applicants

were then graded on six criteria: assets under management (AUM); AUM growth rate; experience; advanced industry credentials; online accessibility; and compliance records. There are no fees or other considerations required of advisers who apply for the FT 400.

The “average” adviser in this year’s FT 400 has 27 years’ experience and manages \$1.7 billion in assets. The FT 400 advisers hail from 38 states and Washington, D.C.

The FT 400 is one in a series of rankings of advisers by the Financial Times, including the FT 300 (independent RIA firms) and the FT 401 (DC retirement plan advisers).
